Officers in attendance:

Marisa Rosa- Secretary and Treasurer

Luke Roberts- Chaplain

Minutes by Marisa Rosa (secretary and treasurer)

Luke started us off with a devotion on discipline, asking the question, "Would you rather have acute pain as a child or chronic pain as an adult?", referring to its link on discipline. Then Jacob and I took over the treasury report. We summed it up about reminders of dues and if you don't pay your dues you don't get to attend cedar point!!

Derek then led old business and gave a thumbs up to our leaders who have attended their classes. New business was done by Rory. He talked about activate america (family olympics) and asked leaders to sign up. We also had sign ups for cedar point intrestees and our Funday )ct. 16th.

We then broke into committees, discussed and settled on a few ideas and concluded our meeting.
