

The YMCA Outdoor Family Center presents...

# MAPLE BUDDIES

**Saturday, March 20**  
**10am at Camp Whitewood**

Join **Plucky** and other YMCA friends for a hands-on learning experience. We are traveling to Camp Whitewood in Ashtabula to learn about the history of Maple syrup, how to identify a Maple tree and its parts, and how Maple syrup is made. The day starts with a pancake breakfast at Camp Whitewood.

Visit [www.lakecountymca.org](http://www.lakecountymca.org) to register or call 440-259-2724 for more information.

**Plucky** | Nothing keeps this snowbird inside! Giggled up in her snow girl gear, Plucky's natural curiosity makes her a winter adventurer.
